Dedicated to  
Zenobia Ruffin Graham  
Daughter of  
Samuel William Ruffin  
and  
Lannie Catherine Bufkin

1790 Georgetown Dist.

Benjamin, wife, one son under 16, one son over 16, five daughters. Josiah, wife, one son under 16, one daughter.

1800 Marion County, S. C.

BENJAMIN BUFKIN, wife, two sons and four daughters, are living in the same house. Ben is over 45 years old and his wife is under 45.

JOSIAH BUFKIN, wife, six sons (Francis, Benjamin, John, Joel, Hugh and one who dies before 1810) and one daughter are together. Josiah and his wife are age 25-45.

JOHN BUFKIN, wife, one son and two daughters. John and his wife are age 26-45.

1810 Marion County, S. C.

JOSIAH BUFKIN 26-45, wife 26-45, five sons and four daughters (three born after 1800) are together. FRANCIS BUFKIN 16-26, wife 16-26 and one son under ten are together.

1820 Perry County, MS.

BENJAMIN, JOSIAH, & FRANCIS show up. They must have arrived about 1818 because John's (then 20 and probably living with his father Josiah) first son Ulla was born in S. C. in 1817 and his next son Hugh was born in Mississippi in 1820. I think Ben, John and Francis were Josiah's sons. Next in:

1830 Mississippi

BENJAMIN, wife and five sons under 15 have moved to Claiborne Co. FRANCIS has moved to Yazoo Co. JOEL (another son of Josiah's) is living in Simpson Co. with wife, one son and two daughters under 10. JOHN with wife Ulanah, four sons (Ulla, Hugh, Francis and ?) are still in Perry Co. Josiah is no longer with us.

1840 Jasper County

By 1840 JOHN (42), wife ULANAH (45) and sons: Ulla (23), Hugh (19), Francis (12), and Martha (5) are living in Jasper Co. One female slave age 24-26 is listed on the census with them. No other Bufkins listed in Jasper Co. Then in:

1850 Jasper County

JOHN (52), ULANAH (55), Alfred 16, Francis 21, and his wife Sarah B. (who was later called Sallie) are in the same household. Living with them are Tilman Rowell 29, born in N. C. and Francis Rowell 7, born in MS. Tilman's relationship

to John is not indicated. He may be a widower and John's brother-in-law (married to one of John's sisters) or he may be related to Ulanah (brother?) since she is shown born in N. C. also. At any rate they are no doubt kin because of his boy's name Francis. Also ten years later (1860) there is J. V. Rowell age 11 living with John and Ulanah.

John's other two sons, Ulla and Hugh are married in 1850 and living with their families. ULLA (33), and wife Roseanne 28, have John L. 8, and Oliver 6. HUGH (29) and wife Anne 32, have Martha Anne 9, John Wesley 7, Ransom F. 5, Amanda I. 3, and Charles W. 1.

Letter from great grandmother Bufkin to Edgar and Ella Purvis, Miss.

Dear Children:

As I have no news to write you, I will tell you something of my War life as much as I can remember between the states. I was born in Dallas Co, Ala. in 1857. Oct. 22nd which makes me 84 years my last birthday. My father was born in N. C. I can't remember his birthday as our Bible was lost. He came at the age of 14 (to Miss.) and wanted to be an overseer. He had heard Miss. was a great cotton country and after he became old enough, he bought up several families of slaves and in 1859, we moved to Jasper County and began farming with his slaves and in 1861 the War between the States was declared and all the whites were called out; my father, two brothers, two uncles, leaving me and my mother in the care of 25 slaves, three tribes of Indians: Choctaws, Chicasaws, Cherokees and as the Chicasaws and Cherokees being close related and couldn't agree on any business, the Cherokees left and went to live in Newton Co; suppose the tribe is still there. Our men were gone five years fighting to free the Negro slaves and as you know they did so. We were all the same, negroes, Confederate money all gone; land had all grown up in sassafras and persimmon bushes; fences all rotted down; all had to start anew. That was five years of hard living. We had to make all we had - clothes and everything we used on the farm and that was mostly bread. We had hogs and plenty of cattle but owing to all the railroad, bridges and all kind of conveyances to go anywhere had been burned down. We couldn't get salt to save the meat. I was small when the word came - the negroes were a free people. I knew they had a hard time and I longed for them to be free and it was not until I came home from down there and came through Camp Shelby and saw what a life the Norther's had to sacrifice for us. They came once to the Negroes and now they have come to keep us from being under slaves for other cruel nations.

I haven't written you half but will tell more later. I think the old war between the states wasn't as cruel as the war between the states but we were so oppressed had nothing to use and the men only had their guns. We had no churches, all had to use the same houses; the slaves using the back pews. So sorry Lois is sick. Glad to get Lenora's letter. I am so weak can't write.

Minnie and Joe came last Monday, stayed until Tuesday. Claudia Glade just left all was well; lots of sicknews here of all kinds. Love to all, Mother. My back is so bad, can't walk; had lots of presangs. We didn't have any mail but once a week and had to go six miles to get that and my mother went every Saturday on horseback, most always coming back crying. (Page 1 missing): to go to school his wife was elected our teacher for three years at that Manor school house and we got to be very intimate friends.

II over

He told me that he would never come back and he didn't. He was killed in the battle of Vicksburg. His wife went after him when Vicksburg surrendered, but he had been buried in the trenches. 15 years ago, I went back over the battlefield and our men were entirely surrounded on the west by the deep Miss...no chance for escape on the north and east by Grant's cruel Army. Our men had deep trenches cut under the ground, cut by their own hands to defend themselves but the cannons were too much for their weak, hungry hands----- under Gen. Grant and his men.....and went on into that great cemetery and stood by the tombs of what was once our brave men that lay in their tombs awaiting for the resurrection. I saw mounted on horses all the big cruel Generals on munuments or personal attire.

I just wrote because I was lonesome. We are all very well. I can sit up most of the time but never easy. Maude is looking for her children Sat. or Sunday; lots of sickness around here. Jessie is in bed with flu. Dr. Folk is in bed; it takes all my rent to buy medicine; my feet is swelling again. Will write more next time. When are you coming?

All the above are exerps from different letters.

What happened: Rented my house furnished, locking personal things like letters in the utility room. When house returned by request, these letters and history of the different families were scattered about the room and had to be reconstructed - with some parts missiing. Ella V.
